

Linking to HermanMiller.com

Herman Miller does not generally object to links to HermanMiller.com from third party sites. Herman Miller does not, however, allow websites that use frames to link to any page on this site without prior written permission. You may not use any of Herman Miller's names, logos, designs, trademarks, or service marks in or with your links unless we have entered into a specific written agreement with you to do so.

Please review our Trademarks page on HermanMiller.com.

As a rule, we prefer that third party sites link to the home/first page of HermanMiller.com. For your visitors' convenience, however, we offer the following specific page links which represent most Herman Miller products and all major sections of the site. Please contact us if you wish to link to a page not shown below.

Please read our Terms of Use policy on HermanMiller.com.
