Textile Alliance ProgramSM (TAPSM) and Customer's Own Material (COM) Order Information for Nala Chairs and Ottomans

Textile Alliance ProgramSM (TAPSM) for Nala Chairs and Ottomans

Program Overview

The Textile Alliance Program (TAPSM) consists of a select group of fabrics that have been approved by Herman Miller for application on Nala Chairs and Ottomans. The current offering includes fabrics from Maharam and Momentum Textiles. Fabrics have also been assigned Herman Miller part numbers to facilitate ordering and manufacturing. TAP fabrics are on assigned lead times.

Warranty

All fabrics included in the Textile Alliance Partner program come with a standard 3-year Association for Contract Textiles (ACT) textile warranty and Herman Miller's 12-year workmanship warranty.

Discontinuation Policy

Because new fabrics will be introduced regularly, Herman Miller reserves the right to edit the offering at any time. Herman Miller will provide a six-month notification on the discontinuation of any Textile Alliance Program material. In most cases, however, fabrics will continue to be available directly from our alliance partners until they are discontinued.

Ordering Nala with Textile Alliance Fabrics

1. Once a fabric has been selected, identify its Herman Miller part number and use this number when placing the order. (The portion of the fabric number following the diagonal mark is used when ordering memo samples from the alliance partner.)
2. Upon receipt of the order, Herman Miller will verify fabric availability and acknowledge the order with an appropriate ship date based on availability. All partners have committed to a 24-hour turnaround response to Herman Miller regarding TAP fabric availability.
3. Once the order is acknowledged, Herman Miller will order the material and schedule production, based on standard lead times.

Ordering Swatches

Memo samples need to be ordered directly from the alliance partner; memo samples and swatches for TAP are not available through Herman Miller Sales Source. When ordering memo samples, refer to the fabric number following the diagonal mark; that number indicates the alliance partner's fabric number.

To order memo samples from Maharam, call (800) 645 3943, or visit their website at www.maharam.com.

To order memo samples from Momentum Textiles, call (800) 366 6839, or visit their website at www.memosamples.com.

Customer's Own Material (COM) for Nala Chairs and Ottomans

Program Overview

The Customer's Own Material (COM) program gives you the option of using textiles other than those listed. Herman Miller will test textiles for application on Nala Chairs and Ottomans and will process orders for those with approved COM textiles only. COM are assigned lead-time textiles. Kiosk lists an overview of fabrics that have been tested and indicates whether or not they were approved for application on Nala Chairs and Ottomans. Specific information on the terms and conditions, testing, approval, and ordering process for COM is listed below. Questions about the COM program and requests for assistance may be directed to your COM representative at:

(616) 654 3400
(866) 854 3048 ext 3400

Customer's Own Material Warranty

Herman Miller does not warrant COM textiles. COM textiles are tested for application only; they are not tested for performance. The Herman Miller warranty does apply to the underlying products. Suppliers of COM textiles are responsible for color consistency within commercial tolerances, UV stability, and resistance to soiling and perspiration.

Customer's Own Material Pricing

COM is a Category 1 fabric. There are no application charges for COM fabrics. Refer to prices on Nala to determine the application charge. Ordering and payment for COM textile yardage are the responsibility of the customer and the textile supplier. If desired, Herman Miller will purchase COM textiles directly from True, C.F. Stinson, Design Tex Fabrics, Luna Textiles, Maharam, and Momentum Textiles to simplify ordering and shipment. For this service, refer to the Supplier Connection program.

Textile Approval

1. Select a COM textile and the Nala product.
2. If your textile is not listed in Kiosk, obtain a test number from a COM representative at (616) 654 3400. You can also submit your request within Kiosk. Please have the following information ready before calling: textile name, number, pattern, roll width, and the Nala product you will apply it to. Additional yardage may be needed due to the unique characteristics of a textile. All package labels must include the words "COM test" and the assigned COM test number.
3. Herman Miller will notify you of approval or disapproval within 4 days from receipt of the test yardage.
