Herman Miller International Collection™

Sit. Relax. Interact.

The International Collection helps people get together—comfortably.

Created by leading European designers, these pieces are honest, inviting, and playful.

Fashioned according to our notion of good design and our standard of quality, they are fit for their purpose and made to last.

Wherever people gather, the International Collection makes their spaces spirited and delightful.

Enjoy.

Contemporary minimalism and pleasing comfort

Mr. Nilsson

Designed by Duilio Forte

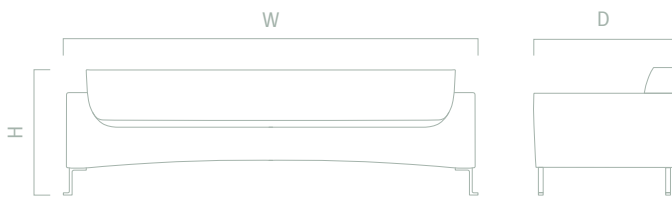

The design of Mr. Nilsson is rooted in classic 1960's retro. It makes an immediate statement in a space. Whether placed in a reception, meeting, or waiting area—or at home—it delivers a contemporary, minimalist cool. Built on a solid wood and steel frame, the sofa provides a level of comfort that matches its distinctive appearance. Available in a choice of sizes, colors, and finishes, Mr. Nilsson is a beautiful addition to any room.

Duilio Forte

Duilio Forte, based in Milan, produces art, architecture, and design, and he believes all these disciplines are closely linked. Together they create the habitats in which we go about our daily lives.

Beautifully crafted, iconic design for any public space

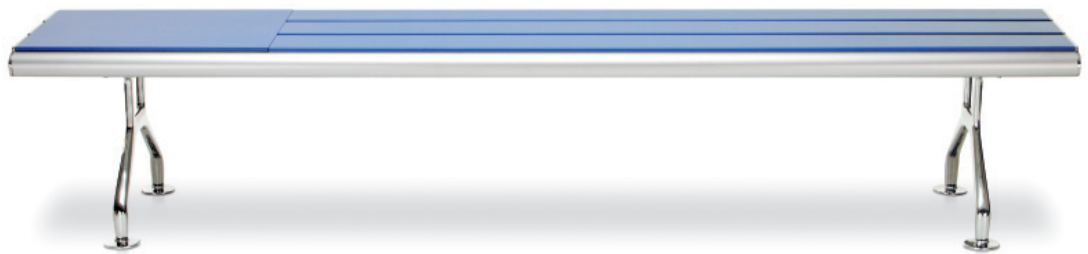

Liza

Designed by Compagnia Italiana Progetto

Liza is an enduring adaptation of the bench's iconic form. This modern yet classic seating complements its surroundings in public spaces, whether indoors or outdoors. In addition to its good looks, Liza is practical and durable in equal measure. Made of anodized aluminium with die-cast legs, Liza can be configured with or without backs and side table elements. A wide choice of exciting tile finishes makes Liza an appealing addition to both inner and outer landscapes.

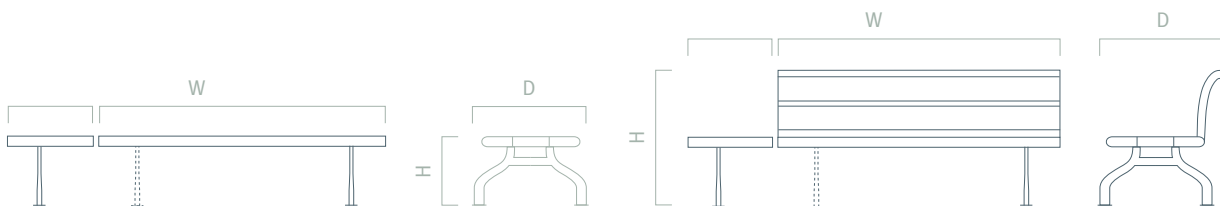

Compagnia Italiana Progetto

Milan-based Compagnia Italiana Progetto is run by the multi-award winning designer Angelo Cortesi. He is responsible for numerous architectural and industrial designs.

Bold pieces that brighten any space

Tato, Tatone, Tatino

Designed by Denis Santachiara and Enrico Baleri

Colorful and fun, these striking visual pieces are designed to brighten any room or space. The three interesting shapes can be used alone or in combination. They are a perfect solution for informal, chill-out areas at home, work, or play. A flexible seat top and a stabilizing base deliver surprising comfort. Tato, Tatone, and Tatino have removable covers available in a range of colors.

Denis Santachiara

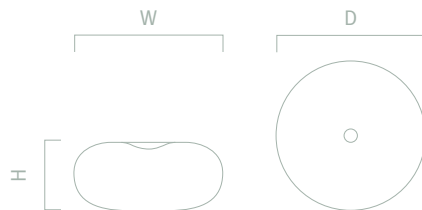

Denis Santachiara likes to combine technology with magic, multifunctionality with play. "I believe objects should always offer little surprises, something to talk about," he says. "The same object can do different things."
