Distil Desk

Designer

Todd Bracher

Original Production Date

2015

Warranty

5 Years

Equally appropriate in a small office or work room, the Distil Desk takes work seriously without taking over. Designer Todd Bracher ensures this equilibrium by refining the idea of a desk to its essence. With solid wood legs, eased edges, a molded plywood top, and refreshingly honest answers to handling wires and storage, this desk is approachable, physically and aesthetically.
