

Renew™ Sit-to-Stand Tables

Renew makes moving from sitting to standing—and back again—a natural part of your day. Everything you've been looking for in a sit-to-stand table is accounted for, from intuitive height adjustment to cable management to a durable, long-lasting desk. And you can be confident in the life of your standing desk, with our all-encompassing warranty. Combined with a great office chair, Renew gives you a full range of supported movement to help you stay active and healthy while you work.

Designer

Brian Alexander

Benefits

- Moving from sitting to standing increases energy and ramps up metabolism
- Seamless integrated cord management keeps cords easily accessible but cleanly out of sight
- Thoughtful design considers the point of view of the person using it and the people nearby

Warranty

Worksurface: Laminate - Lifetime; Veneer - 12-year

Base: 12-year, 3-shift

Renew™ Sit-to-Stand Tables

Key Features

- 1. Intuitive Paddle and Programmable Switches**
A soft, paddle-shaped switch works exactly as expected, moving up to raise the table and down to lower it. A programmable switch at four heights is also available.
- 2. Discrete Cable Management**
Power routes through the desk leg and cables remain hidden in the cable tray. Surface power access and high-density cable trough are also available.
- 3. Top to Bottom Design**
Softly angled corners under the table protect your knees from bumps and bruises and encourage movement. With no visible attaching hardware or exposed cables, the visual remains clean.
- 4. Work Surface Edge**
An eased edge provides a more refined aesthetic and comfortable user experience. Also available with square and thin edges.
