Introduction

A Note on the Organization of This Book

There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.

Information wraps from one column to the next and continues for as many pages as it needs to.

Black bars are clues.

A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product Information includes a description, additional notes, and dimensional drawings. Specification Information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The additional pages in the back of the book include the appendices and indices. They are signaled by a long black bar running along the outside edge of the page.

The index is presented two ways.

The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table.

The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

General Information

This book is effective July 5, 2023, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit www.HermanMiller.com.

All prices are list prices. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest 1/8”. Product is shipped set up or knocked down. Products that include “Shipped knocked down” in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

20-Day or Less/Assigned Lead-Time Shipments

All products and options in this price book not designated by an Assigned Program icon \[A\] will ship in 20 business days or less after being acknowledged by Herman Miller.

Products and options designated by an \[A\] are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.
Mirra® 2 Work Chairs

Product Information

Description

This chair has 2 backrest options. The Butterfly Back™ creates an intelligent support structure for the user’s entire back. It utilizes a new method for merging a fabric layer with flexible polymer shell. The TriFlex™ 2 back is 100% polymer, no fabric, with a similar design that offers flexible and continuous support. These options, combined with the new loop spine design and passive PostureFit® sacral support allow for a new level of personal contouring and micro-motion support, with the Butterfly Back offering the highest level of comfort. The AireWeave™ seat-suspension material is lightweight and breathable and evenly distributes the user’s weight over the seat of the chair. The chair’s Harmonic™ 2 tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips. The chair has a 5-star base offered in two design profiles and 3 height-adjustment options. The low-height option has a seat-height range of 14\(\frac{3}{4}\)” to 19”; the standard-height option has a seat-height range of 16” to 20\(\frac{1}{2}\)”; and the high-height option has a seat-height range of 16\(\frac{3}{4}\)” to 22\(\frac{1}{4}\)”.

Tilt options include a standard tilt, tilt limiter, and tilt limiter and seat angle. The tilt limiter allows the user to set the tilt range to limit the amount of recline. The tilt limiter and seat angle allows the user to set the tilt range and select a 5° forward seat angle.

Back support options include a basic back support version, a standard fixed lumbar version and a user-adjustable lumbar support version. The adjustable lumbar support adjusts 4\(\frac{1}{2}\)” in height and 1” in depth. All back support options include passive PostureFit at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort.

The chair’s Butterfly Back is specified with a Latitude™ fabric color that corresponds to the polymer back shell colors. The applied fabric is on the front side of the backrest and allows flexible support and airflow. Fabric cannot be applied to the chair’s AireWeave seat.

Seat options include a 16\(\frac{1}{2}\)” fixed seat depth or a FlexFront® seat depth that allows the user to adjust the seat depth from 16\(\frac{3}{4}\)” to 18.”

Arm choices include no arms, fixed arms, or 4-dimensional adjustable arms that adjust the arms 5\(\frac{1}{2}\)” vertically, 1\(\frac{1}{2}\)” horizontally, 2” front-to-back, and pivot the armpads 20° outward and 20° inward.

Notes

To order chair knocked down, specify MRF2. Pricing same as fully assembled chair MRF1.

For information on casters and glides, see Casters and Glides in Appendices.

MicrobeCare™ is an antimicrobial coating that can be applied to a wide variety of Herman Miller Group surfaces to protect products from mold, mildew, algae, and bacteria that cause deterioration, discoloration, odors, and stains.

MicrobeCare™ is a US Environmental Protection Agency (EPA) registered nonpublic health antimicrobial.

MicrobeCare™ is applied to the major touchpoints, including the seat, backrest, arms, armrests, frame and adjustment controls.

Mirra® 2 Stool

Product Information

Description
This stool has a 5-star base and 1 height cylinder with a seat-height range of 23\(\frac{1}{2}\)" to 33\(\frac{1}{2}\)".

The stool has 2 backrest options. The Butterfly Back™ creates an intelligent support structure for the user’s entire back. It utilizes a new method for merging a fabric layer with flexible polymer shell. The TriFlex™ 2 back is 100% polymer, no fabric, with a similar design that offers flexible and continuous support. These options, combined with the loop spine design and passive PostureFit® sacral support allow for a new level of personal contouring and micro-motion support, with the Butterfly Back offering the highest level of comfort. The AireWeave™ seat-suspension material is lightweight and breathable and evenly distributes the user’s weight over the seat of the stool.

The stool’s Harmonic™ 2 tilt provides continuous balance and lets the body recline naturally, pivoting at the ankles, knees, and hips.

Tilt options include a tilt limiter, and tilt limiter and seat angle. The tilt limiter allows the user to set the tilt range to limit the amount of recline. The tilt limiter and seat angle allows the user to set the tilt range and select a 5° forward seat angle.

Back support options include a basic back support version, a standard fixed lumbar version and a user-adjustable lumbar support version. The adjustable lumbar support adjusts 4\(\frac{1}{2}\)" in height and 1" in depth. All back support options include passive PostureFit at the base of the back, below the beltline, that helps achieve healthier posture and improved lower back comfort.

The stool’s Butterfly Back is specified with a Latitude™ fabric color that corresponds to the polymer back shell colors. The applied fabric is on the front side of the backrest and allows flexible support and airflow. Fabric cannot be applied to the stool’s AireWeave seat.

Seat options include a 16\(\frac{1}{4}\)" fixed seat depth or a FlexFront® seat depth that allows the user to adjust the seat depth from 16\(\frac{1}{2}\)" to 18".

Arm choices include no arms, fixed arms, or 4-dimensional adjustable arms that adjust the arms 5\(\frac{1}{2}\)" vertically, 1\(\frac{1}{2}\)" horizontally, 2" front-to-back, and pivot the armpads 20° outward and 20° inward.

Notes
20"-diameter footrest adjusts 4\(\frac{1}{2}\)" in height.

Footrest available in trivalent chrome; column and ring support are black.

For information on casters and glides, see Casters and Glides in Appendices.

MicrobeCare™ is an antimicrobial coating that can be applied to a wide variety of Herman Miller Group surfaces to protect products from mold, mildew, algae, and bacteria that cause deterioration, discoloration, odors, and stains.

MicrobeCare™ is a US Environmental Protection Agency (EPA) registered nonpublic health antimicrobial.

MicrobeCare™ is applied to the major touchpoints, including the seat, backrest, arms, armrests, frame and adjustment controls.

**Step 15. AireWeave™ 2 Suspension Material**

See application chart and textiles list for fabric usage and numbers. First 2 digits of number indicate fabric line; remaining digit(s) indicate fabric color.

Price Category 1 +$0
Product Information

Description
This back replaces an existing Butterfly Back™ on a Mirra® 2 work chair or stool. The back utilizes a new method for merging a fabric layer with flexible polymer shell. The specially bonded back surface allows flexible support and airflow.

Notes
Specify Butterfly Back kit frame finish to match Mirra 2 work chair or stool frame finish.
Existing Mirra 2 chair or stool lumbar strap or fixed back loop finish should match molded back finish. To change lumbar strap finish for an existing chair or stool, order adjustable lumbar kit (MRF905A) separately.

Specification Information

Step 1.
MRF910

Step 2. Fire Retardancy
For not fire retardant (*), skip this step.
not fire retardant

Step 3. Frame Finish
98  studio white  A  +$0
     graphite   A  +$0

Step 4. Back Finish
97  twilight    A  +$0
98  studio white A  +$0

Price Category 3  +$0
**Product Information**

**Description**
This adjustable lumbar support fits into the back of a Mirra® 2 work chair or stool. It adjusts 4 1/2” in height and 1” in depth.

**Notes**
Lumbar kit’s support bow finish matches Mirra 2 chair or stool frame finish. Lumbar kit’s lumbar strap finish matches Mirra 2 chair or stool molded Butterfly Back™ finish.

20-Day or Less/Assigned Lead-Time Order Information

20-Day or Less and Assigned Lead-Time Programs
20-day or less and assigned lead-time products are designed for established Herman Miller dealers with pre-approved credit.

Products are distributed from multiple manufacturing facilities across the United States. All products and options not designated by an Assigned Lead-Time icon [A] will ship in 20 business days or less after being acknowledged by Herman Miller. Products and options designated by an [A] are on the assigned lead-time program and will ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

Ordering Procedure
Please place orders through Order Manager. If this is not available to you, place orders through mail or fax. Verbal purchase orders will not be accepted.

Order Entry fax number for Meridian® Filing and Storage: (616) 846 9236.
Order Entry fax number for all other products: (616) 654 3085.
For more information, contact your Customer Care representative at: (866) 854 3048 ext 3400.

Shipments and Delivery
Per Herman Miller Terms and Conditions.

Changes and Cancellation
Per Herman Miller Terms and Conditions.
