Introduction

A Note on the Organization of This Book
There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.
Information wraps from one column to the next and continues for as many pages as it needs to.

Black bars are clues.
A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product information includes a description, additional notes, and dimensional drawings. Specification information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The index is presented two ways.
The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table.
The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

General Information
This book is effective July 5, 2023, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit www.HermanMiller.com.

All prices are list prices. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest \( \frac{1}{8} \)". Product is shipped set up or knocked down. Products that include “Shipped knocked down” in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

20-Day or Less/Assigned Lead-Time Shipments
All products and options in this price book not designated by an Assigned Program icon \( \text{A} \) will ship in 20 business days or less after being acknowledged by Herman Miller.

Products and options designated by an \( \text{A} \) are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.
Multipurpose Chair

Product Information
Description
This multipurpose chair has a one-piece Lyris 2™ suspension or suspended upholstery between outer composite polymer frames. The Kinematic Spine™ technology is integrated into the chair’s back frames to allow for varying recline positions and continuous support. The silver alloy base material is a durable and anti-corrosive aluminum, eliminating the need for polishing or protective coatings. The chair has a standard-height or high-height pneumatic height adjustment.
Base choices include a 5-star base with casters or a 4-star base with glides.
Arm choices include no arms or fixed-height ribbon arms.

Notes
Refer to Casters and Glides appendix to match caster with appropriate floor type. Hard wheel casters must be used on carpet surfaces only.
Optional top corner bumpers are inserted into the left and right top edge of chair to protect Lyris 2™ from rubbing against walls or panels. Top bumpers can also be retrofitted when ordered as a service part.
MicrobeCare™ is an antimicrobial coating that can be applied to a wide variety of Herman Miller Group surfaces to protect products from mold, mildew, algae, and bacteria that cause deterioration, discoloration, odors, and stains.
MicrobeCare™ is a US Environmental Protection Agency (EPA) registered nonpublic health antimicrobial.
MicrobeCare™ is applied to the major touchpoints, including the seat, backrest, arms, armrests, frame and adjustment controls.

**Product Information**

**Description**

This stool has a one-piece Lyris® suspension or suspended upholstery between outer composite polymer frames. The Kinematic Spine™ technology is integrated into the chair's back frames to allow for varying recline positions and continuous support. The silver alloy base material is a durable and anti-corrosive aluminum, eliminating the need for polishing or protective coatings. The stool offers a pneumatic height adjustment with one height option. The stool has a seat height range of 26 3/8" to 34 1/4", with a height range of 7 7/8".

The silver alloy footrest is stationary and travels with the cylinder. Base choices include a 5-star base with casters or glides. Arm choices include no arms or fixed-height ribbon arms.

**Notes**

For information on casters and glides, see Casters and Glides in Appendices.

Optional top corner bumpers are inserted into the left and right top edge of chair to protect Lyris® from rubbing against walls or panels. Top bumpers can also be retrofitted when ordered as a service part.

MicrobeCare™ is an antimicrobial coating that can be applied to a wide variety of Herman Miller Group surfaces to protect products from mold, mildew, algae, and bacteria that cause deterioration, discoloration, odors, and stains.

MicrobeCare™ is a US Environmental Protection Agency (EPA) registered nonpublic health antimicrobial.

MicrobeCare™ is applied to the major touchpoints, including the seat, backrest, arms, armrests, frame and adjustment controls.

20-Day or Less/Assigned Lead-Time Order Information

20-Day or Less and Assigned Lead-Time Programs
20-day or less and assigned lead-time products are designed for established Herman Miller dealers with pre-approved credit.

Products are distributed from multiple manufacturing facilities across the United States. All products and options not designated by an Assigned Lead-Time icon [A] will ship in 20 business days or less after being acknowledged by Herman Miller. Products and options designated by an [A] are on the assigned lead-time program and will ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

Ordering Procedure
Please place orders through Order Manager. If this is not available to you, place orders through mail or fax. Verbal purchase orders will not be accepted.

Order Entry fax number for Meridian® Filing and Storage: (616) 846 9236.
Order Entry fax number for all other products: (616) 654 3085.

For more information, contact your Customer Care representative at: (866) 854 3048 ext 3400.

Shipments and Delivery
Per Herman Miller Terms and Conditions.

Changes and Cancellation
Per Herman Miller Terms and Conditions.
Casters and Glides

**WARNING**

Depending on the floor surface, chair may unexpectedly roll away from user when entering or exiting the chair, possibly leading to unexpected injury. Please refer to descriptions of floor types when selecting casters.

### 32 Caster
- 1 7/8-inch-diameter hard double-wheel caster; black nylon wheels and yoke; for use on carpet only
- Applicable on: Sayl® Chairs

### BB Caster
- 2 1/2-inch-diameter hard double-wheel caster; black nylon wheels and yoke; for use on carpet only
- Applicable on:
  - Asari Chair by Herman Miller™
  - Caper® Chairs
  - Embody® Chairs
  - Fuld Nesting Chairs
  - Lino™ Chairs
  - Sayl Chairs
  - Mirra® 2 Chairs, Verus™ Chairs

Distribution Rights

Working together since 1956, Herman Miller and Vitra are the authentic sources of designs by Charles and Ray Eames, Alexander Girard, and George Nelson. All the designs shown in this book are protected by law. Herman Miller has obtained all rights to make and sell these designs. Also, Herman Miller holds exclusive worldwide manufacturing and distribution rights for these products with the following exceptions:

Charles and Ray Eames, George Nelson, and Alexander Girard—Worldwide distribution rights for furniture in all areas except Europe and the Middle East. For those areas, please contact Vitra.

Isamu Noguchi—Worldwide distribution rights for the Noguchi Rudder Table. Distribution rights for the Noguchi Table in North America and Central America only. For all other areas, please contact Vitra.

Magis—Exclusive distribution rights in the US and Canada. For all other areas, please contact Magis.
