

Always Chair

There's always a place.

An appealingly rounded form and simple silhouette make the Always Chair a winner no matter where it lives. Thanks to positive back support, Always is as pleasing to sit in as it is on the eye. Always is a timeless chair for every occasion.

The Always Chair has enduring good looks, fitting in anywhere and everywhere thanks to its simple, rounded contours and versatile character. Its organic form is naturally enveloping, creating the comforting feeling of being hugged whilst delivering the positive back support needed for an enjoyable seated experience. Always encompasses form and function: it's aesthetically pleasing and comfortable whilst utilising the best materials and engineering excellence for long lasting quality.

With Always, there are a multitude of ways to use it across any number of settings. Always comes in three heights, with a myriad of base options. Go modern with a powder-coated steel sled base; flexible for work settings with a 4- or 5-star base in a range of colours; or homely with wooden legs in oak or walnut. This timeless chair also comes in NaughtOne's wide selection of fabrics, adding to its appeal as an all-rounder that works anywhere, anytime.

- Vertical upwards static load on arm rests
- Seat and back durability test
- Seat front edge durability test
- Leg forward static load test
- Leg sideways static load test
- Seat impact test
- Back impact test
- Arm impact test

Servicing

If a component is damaged, we will be happy to facilitate any replacements that are required. Please email our team with an image of the damaged part and reference your order number.

Warranty

NaughtOne offers a 10-year warranty across all products. Details on the terms and conditions of NaughtOne's warranty can be found at www.naughtone.com/warranty

Flammability

The cold cure foam material has been tested to meet the following standards:
British standard: 5852:2006 Part 2
California Technical Bulletin: 117-2013
Italian standard: UNI9175-CLASS 1.IM

The flammability standard of the covering fabric is dependent on the choice made by the customer. Details of the flammability rating of specific fabrics can be found on supplier websites.

Always Chair with solid oak legs.

Environmental Attributes

- NaughtOne is FISP and ISO14001 certified
- NaughtOne is FSC® certified (FSC® C134222)
- 9.68 kg total weight
- 83.9% Recyclable (steel frame, base, foam, fixings and feet)
- 11.1% Reusable (plywood frame and base)
- 16.2% Recycled Content (steel frame, chip foam and fixings)
- SCS Indoor Advantage™ Gold ANSI / BIFMA Furniture Emissions Standard (M7.1 / X7.1-2011 R2021) and ANSI / BIFMA e-3-2019 (Credits 7.6.1, 7.6.2, 7.6.3)

These attributes can help you to achieve criteria towards LEED, BREEAM, Ska and WELL building certifications.

Where sustainable sources are quoted, and a chain of custody is required by a customer, this must be indicated on the purchase order to NaughtOne. A chain of custody requested after an order has been placed or delivered may be difficult to recover.

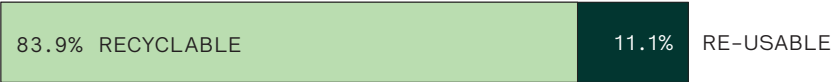

Figures stated in this document may vary based on model and options selected. We have based this document on a specific example when produced in the United Kingdom. Recycled content calculations are taken from supplier information and industry averages. Material variables are likely to affect the figures which may result in higher or lower percentages.

This document will be reviewed and updated periodically and is subject to change without notice.

Product Sustainability Statement

The Always Chair is available in a range of sizes and finishes, but for the purpose of this document we have a specific example from the range: Always chair with solid Oak legs.

CSR Statement

We care a great deal about the sustainability of our products. At every stage of the process – from design to manufacturing to shipping – we seek to minimise our environmental impact. Our 10-year warranty speaks of our commitment to making quality, durable furniture that does not need to be regularly replaced. We offer FSC® certified upholstered products and use recycled metals in our table ranges. We have manufacturing facilities in North America to reduce freight miles in our largest market. And we offer an innovative Take-Back Programme that enables clients to return products to us at their end of life so we can recycle the parts. We are proud of what we have done, but we are ready to go further.
