

Penny Stool

A Colourful Place to Perch

The warmly familiar and beautifully crafted Penny Stool embodies NaughtOne's ethos of absolute simplicity. The deceptively simple design belies a considered construction that delivers designers style, comfort, and longevity in their installations.

The timeless design of Penny is appealingly flexible with 16 different leg colour choices and a seat available in solid oak or walnut, allowing designers to create individual pieces for each new environment, be it work place, education or hospitality.

Penny is available in low (stackable 12 high), counter, and bar heights. Robust and durable, Penny is engineered for longevity, fully tested for contract use, and backed by a 10-year warranty.

At the end of its long life, you can simply return Penny to NaughtOne via our Take-Back Programme, and we'll be sure its materials make it to the right place.

Measuring Guide

Where sustainable sources are quoted, and a chain of custody is required by a customer this must be indicated on the purchase order to NaughtOne. A chain of custody requested after an order has been placed or delivered may be difficult to recover.

Figures stated in this document may vary based on model and options selected, we have based this document on a specific example when produced in the United Kingdom. Recycled content calculations are taken from supplier information and industry averages, material variables are likely to affect the figures which may result in higher or lower percentages.

This document will be reviewed and updated periodically and is subject to change without notice.

Penny bar stool with solid Oak seat and powder coated base in Stone Grey.

Product Sustainability Statement

The Penny Stool is available in a range of sizes and finishes but for the purpose of this document we have a specific example from the range: Penny bar stool with solid Oak seat.

Recyclable Content

Recycled Content

Environmental Attributes

- NaughtOne is FISP and ISO14001 certified
- NaughtOne is FSC® certified
- 6.2 kg total weight
- 67.7% Recyclable (base and fixings)
- 32.3% Reusable (top)

CSR Statement

NaughtOne has always considered the environment throughout our design and manufacturing process. We understand that as we continue to grow, so does our potential impact on our surroundings. As most of our raw materials are simple, we have great control over their sources, and are proud to be able to offer FSC® certified upholstered products and use recycled metals in our table ranges. The addition of our North American manufacturing provision also helps to keep manufacturing miles to a minimum, as our market continues to grow in the USA. Finally, NaughtOne offers a Take-Back Programme, where the client is able to return the product to our factory, where we will be happy to breakdown and recycle the parts for you.
