

Sweep Tables

A Playful Collection of Coffee Tables

Sweep coffee tables combine organic form with charming function and add a joyful dose of colour to an office, café, airport lounge, or anywhere in between.

With a base designed to wrap around the tabletop to offer a floating illusion, Sweep allows designers to inject a colour and personality into any scheme. Blending seamlessly into the NaughtOne product portfolio Sweep's distinctive frame can be a choice of 16 different RAL colours.

Circular, square, or rectangular tabletops, are available in a range from Oak or Walnut veneer to White or Black Melamine Faced Medium-Density Fibreboard (MFMDf) offering an immensely satisfying scope of customisation.

Sweep was built for easy end-of-life disassembly and can, at the end of its long life, be returned to NaughtOne via our Take-Back Programme. As with all our products, the tables are backed by a 10-year warranty.

Measuring Guide

Where sustainable sources are quoted, and a chain of custody is required by a customer this must be indicated on the purchase order to NaughtOne. A chain of custody requested after an order has been placed or delivered may be difficult to recover.

Figures stated in this document may vary based on model and options selected, we have based this document on a specific example when produced in the United Kingdom. Recycled content calculations are taken from supplier information and industry averages, material variables are likely to affect the figures which may result in higher or lower percentages.

This document will be reviewed and updated periodically and is subject to change without notice.

Sweep 900 x 550 rectangular coffee table with Oak veneer top and powder coated frame in Oyster.

Product Sustainability Statement

The Sweep Coffee table is available in a range of sizes and finishes but for the purpose of this document we have a specific example from the range: Sweep 900 x 550 rectangular coffee table with Oak veneer top.

CSR Statement

NaughtOne has always considered the environment throughout our design and manufacturing process. We understand that as we continue to grow, so does our potential impact on our surroundings. As most of our raw materials are simple, we have great control over their sources, and are proud to be able to offer FSC® certified upholstered products and use recycled metals in our table ranges. The addition of our North American manufacturing provision also helps to keep manufacturing miles to a minimum, as our market continues to grow in the USA. Finally, NaughtOne offers a Take-Back Programme, where the client is able to return the product to our factory, where we will be happy to breakdown and recycle the parts for you.
