

Eames® Lounge Chair and Ottoman

When the Eames Lounge Chair and Ottoman was introduced in 1956, there was nothing like it, and there is still nothing to equal it. Charles and Ray's modern take on a 19th century club chair has not only endured for decades, it has become one of the most significant furniture designs of the 20th century—instantly recognizable and enduringly fresh.

Designers

Charles and Ray Eames

Original Release

1956
