

HermanMiller Embody® Chair

Designers

Bill Stumpf and Jeff Weber

You feel Embody's Pixelated Support™ the moment you sit down—a sense that you are floating, yet perfectly balanced. The seat distributes your weight evenly while supporting your body's micro-movements. The narrow backrest allows you to move freely and naturally as it automatically adjusts to support a full range of seated postures. By reducing seated pressure and encouraging freedom of movement, Embody allows blood and oxygen to flow more freely, which helps keep you focused.

Warranty

12-year, 3-shift.
