

# Nelson Coconut™ Lounge Chairs

The popularity of the Coconut Chair isn't a tough one to crack. This striking design has found a place in many design museums, and its inviting curves have landed it in a number of homes around the world. Originally designed for comfort and movement, it's been updated with new, more sustainable materials and in more upholstery options—all while still faithful to George Nelson's iconic design.

## Designers

George Nelson

## Original Release

1956

## Benefits

- Its three-point triangular cushion is almost perfectly symmetrical, save for the top corner that forms the backrest, providing an extra dose of comfort
- The geometry of the chair provides the ultimate freedom of movement—lounging in it in any position
- Updated materials and upholstery offer a range of expression—as well as a commitment to sustainability

## Warranty

5 years
