Tuxedo™ Component Tables

Designer

BassamFellows for Geiger

Original Production Date

2014

Warranty

12 years

Tuxedo Tables have the same pencil-thin steel bases as the original Lounge System. The tabletops are veneered panels with a solid wood, carved frame. Smaller trays can be added to nest on the table for serving or to form a layered table surface. Tables come in two sizes in ash or walnut with edges of a carved, solid wood frame.
