

Canvas Group

Canvas Group helps people work together and provides space to house the tools they need to collaborate. With these versatile furniture configurations, you can create places for connection throughout an open office and tailor settings to the needs of specific teams. Multiple material options harmonize with the rest of the Canvas Office Landscape®.

Designers

Jeffrey Bernett and Nicholas Dodzuik

Benefits

- Creates spaces for collaboration
- Supports analog and digital technology
- Routes power and manages cords

Key Features

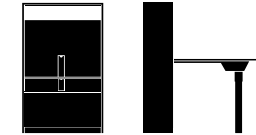

- 1. Custom Collaboration**
Team Wall, Technology Module creates seated, standing, or lounge postures for group collaboration.
- 2. Marker Board Storage**
Upper door units provide a markerboard surface and hidden storage for supplies.
- 3. Stowing Bags**
The lower storage compartment holds larger items such as laptop bags.
- 4. Shelves All Around**
Shelves facing front and back in dual-sided applications give everyone a place to put things.
- 5. Recessed Outlet**
A technology well discretely brings power and data to the surface and stores cords, so the work area remains uncluttered.
- 6. Technology Support**
Accommodates a variety of technologies depending on the organization's preferences.
