

Canvas Metal Desk

Canvas Metal Desk delivers a durable design that works both in an open plan or a private office. It leverages a common kit of parts, so you can mix and match the desk with various pieces from our larger Canvas Office Landscape offering. This gives a government office, healthcare facility, or educational setting the opportunity to adapt as the needs of the organization and the people within it change.

Benefits

- Steel construction stands the test of time
- Cohesive kit of parts pairs easily with any floorplan
- Maintains high quality and design standards

Warranty

12-year, 3-shift

Please visit hermanmiller.com/warranty for details.

Certification

ANSI/BIFMA X5.5-2014 Desk/Table Products
ANSI/BIFMA X5.9-2019 Storage Units

Key Features

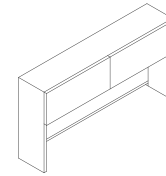

1. Pairing Motia Sit-to-Stand Tables with Canvas Metal Desk can encourage movement throughout the day.
2. The metal storage hutch with its sliding door overhead, metal support stanchions, and a tack board work together to create a more private zone with minimal distractions.
3. The new peninsula surface shape encourages people to sit down and collaborate.
4. The tack board provides a place to hang up work and can add color to the space as well.
5. Customize your workstation even more by adding storage.
6. The Concerto Monitor Arm is made in America and offers ergonomic support for technology.
