Distil Table

Designer

Todd Bracher

Original Production Date

2015

Warranty

5 Years

Equally appropriate in a small office, workroom, or dining area, the Distil Table takes its job seriously without taking over. Designer Todd Bracher ensures this equilibrium by refining the idea of a table to its essence. With solid wood legs, eased edges, a molded plywood top, and refreshingly honest answers to handling wires, this table is approachable, physically and aesthetically.
