Eames® Aluminum Group Side Chair with Arms

Designer

Charles and Ray Eames

Original Production Date

1958

Warranty

12 years

At once classic and contemporary, this chair's curvilinear silhouette, suspension comfort, and new finish and material options are what make it timeless and keep it in demand.

Originally designed by Charles and Ray Eames for industrialist J. Irwin Miller's home, it is a graceful and supportive Eames classic.
