Eames® Soft Pad Lounge Chair

Designer

Charles and Ray Eames

Original Production Date

1969

Warranty

12 years

Clean-lined, high-backed, and available in two seat heights, the Soft Pad Group's lightweight lounge chair by Charles and Ray Eames is classic and contemporary. Featuring the same innovative seat-back suspension as its predecessor, the Eames Aluminum Group, its plush cushions deliver additional comfort. A matching ottoman extends that comfort.
