### Designer

Charles and Ray Eames

### Original Production Date

1958

### Design for the Environment

79% recycled content; 52% recyclable, GREENGUARD® certified

### Warranty

12 years

With its classic “contract base”—the original table base design created by Charles and Ray Eames for the J. Irwin Miller house—this versatile table makes a suitable surface for any modern interior. Available in dining and coffee table heights, it offers a round table top in an array of sizes and finishes, including laminate, veneer, and stone.
