Designer

Charles and Ray Eames

Original Production Date

1958

Design for the Environment

79% recycled content; 52% recyclable
GREENGUARD® certified

Warranty

12 years

This endlessly versatile square table by Charles and Ray Eames finds support in a “contract base,” the original base design created for the J. Irwin Miller house. Beautiful and hardworking in any setting, it comes in dining-table height and in an array of sizes and finishes, from laminate to veneer to stone.
