

Bound Mobile Screen

With an inviting aesthetic and quiet nature, the Bound Mobile Screen brings a sense of focus and space division to workspaces. Add it to flexible spaces to create an instant boundary, improving the sound and visual quality of your office as well as fostering collaborative moments, thanks to its pinnable surfaces.

Benefits

- Absorbs sound and blocks out visual distractions, allowing for better focus in a more serene environment, and creates team spaces in a snap, with its movable, flexible nature.
- Bound Mobile Screen is available in 50mm or 30mm width, both with sound absorption, providing a quieter workplace environment.
- Bound Mobile Screen is made from 60 percent recycled content and is 99 percent recyclable—helping your workplace to become more sustainable.

Warranty

12-year
