

OE1 Agile Wall

The OE1 Agile Wall is a movable boundary that gives people the ability to quickly create team spaces and share their ideas. Part of the OE1 Workspace Collection™.

Designers

Sam Hecht and Kim Colin

Benefits

- Enables people to quickly create a place for collaboration wherever they feel inspired.
- Functions as a sub-architectural boundary and surface for sharing and ideating.
- Available in multiple widths, and a variety of configurations with options that include shelves, writable and tackable surfaces, and technology.

Warranty

12-year, 3-shift

Key Features

- 1. Mobility**
The OE1 Agile Wall on casters is easily moved by individuals.
- 2. Collaboration**
The OE1 Agile Wall enables collaboration with its technology integration, tackable surfaces, and writable marker boards.

- 3. Compatibility with Project Boards**
The wider OE1 Agile Wall is designed to work with the OE1 Project Board, which can rest on the base of the wall.
- 4. Hidden Foot Options**
Casters or glides are hidden within the base, providing mobility with a streamlined appearance.
