

OE1 Project Table

The OE1 Project Table is a mobile solution for teamwork in open offices, meeting rooms and flexible training rooms. Part of the OE1 Workspace Collection™.

Designers

Sam Hecht and Kim Colin

Benefits

- The OE1 Project Table pairs with the OE1 Agile Wall and OE1 Mobile Easel so people can collaborate at a moment's notice.
- Rotatable teardrop legs add a dynamic, do-it-yourself detail to the table's minimalist aesthetic. Turn them one way for a rounded corner, or the other way for a crisp, creased edge.
- OE1 Project Tables move and gang together to form longer tables and benching applications. Teams can create the spaces they need now, and organisations can boost their operational agility.

Warranty
