Paragraph Storage

Paragraph is a storage system designed to be both relevant and productive within the modern workplace. Using traditional hinged doors and drawers, alongside open shelves and lockers, Paragraph goes beyond housing the output of work, such as files and folders; it is flexible, architectural and personal.

Standard Features

Worktop, base and shelves – 25mm MFC.

Doors, side and back panels – 18mm MFC.

MFC shelves included with all units.

Shelves are adjustable in increments of 15mm, with the exception of all units four and five modules high where the shelf at 740mm(h) is fixed.

Levelling feet allow up to 7mm of adjustment.

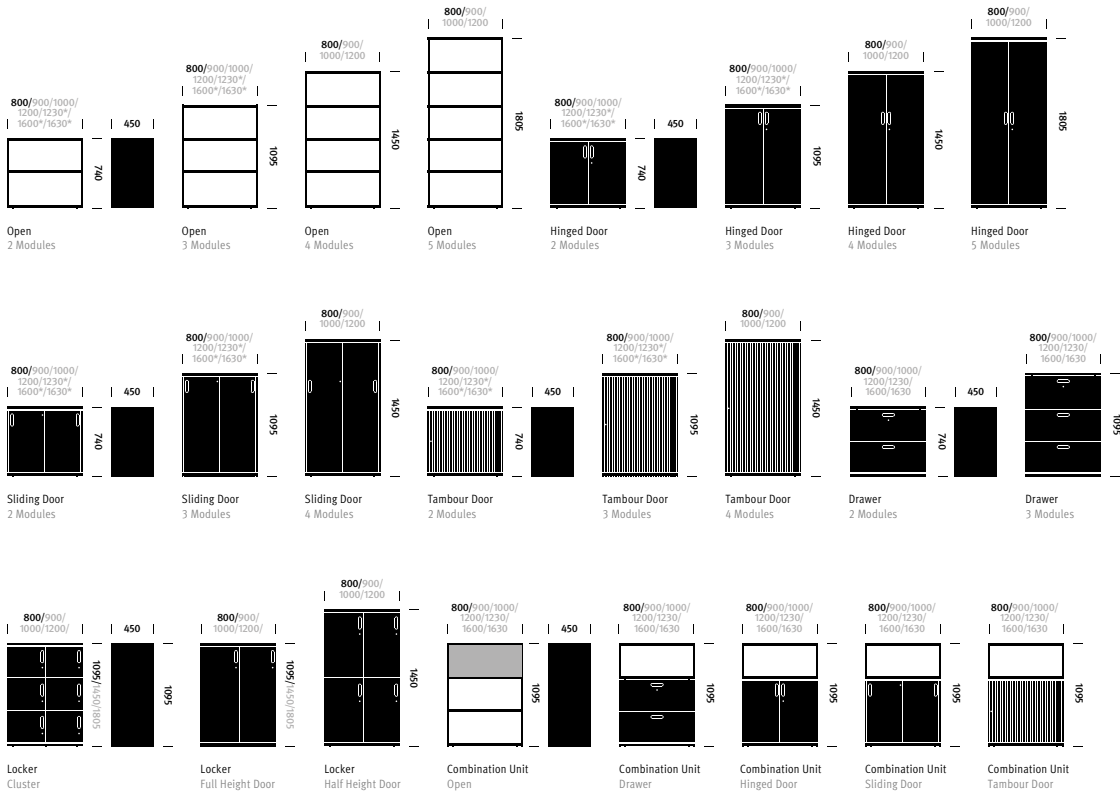

Recessed and grab handle options available on hinged door, sliding door and drawer units. Post slot and recessed handles available for lockers.

Available Knock Down and Assembled.

Warranty

Open, hinged door, sliding door, tambour door, locker and drawer units come with a 12 year warranty. Tambour door fronts come with a 5 year warranty.

*1230, 1600 and 1630mm widths available at 740 and 1095mm heights only.
 1600 and 1630mm widths only available in knock down form.
 The top module on the combination units is also available in reverse so that it faces in the opposite direction to the lower unit.
 This is only available in 1200, 1230, 1600 and 1630mm widths.
