Balcony Collection

Made of durable steel, the Balcony Collection's square design is softened by circular cutouts, which also strengthen the shell. The holes also provide airflow to help keep you comfortable on hot days, and allow for drainage so that the chair can dry quickly after it rains. Each piece is powder-coated with an outdoor primer for optimal resilience and durability.

Designed by Ronan and Erwan Bouroullec

Palissade Collection

Elegant without being fragile and strong without being bulky, the geometric design is made from weatherproof powder-coated steel.
