

AAC 153 SOFT DUO

PRODUCT FACT SHEET

AAC 153 SOFT DUO

DESIGN BY HEE WELLING & HAY, 2020

The AAC 153 Soft Duo counterbalances its soft quilted shell and contrasting materials with the high functionality and modern expression of the five-legged castor base. Retaining the same high backrest and generous seat that **characterizes** the series, the base is designed with a gas lift that can adjust the seat height by a range of 14cm. The base is available in polished or powder-coated **aluminum**, and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public, or private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery in selected fabric and leather combinations on front and back.
- Variety of textiles and base finishes.
- The 5-legged base is equipped with a semi-automatic gas lift.
- Adjustable seat height varies from 42 to 56 cm.
- Other base options are: 4-star swivel base, molded plywood base and 4-leg steel tube base.
- Other upholstery options are: a non-quilted full upholstery in a large selection of fabrics and leathers or a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
