

ABOUT A CHAIR / AAC26

DESIGN BY HEE WELLING & HAY

The About a Chair AAC26 design exudes the functional simplicity that is characteristic of this entire series. The solid shell comprises a curved back with armrests in polypropylene, providing excellent comfort and a soft, unified silhouette, while the four-legged bent steel tube base reinforces the minimalistic expression and ensures optimal durability. Available in a wide range of shell colors and base finishes, as well as optional front upholstery or fixed seat cushion, this multi-functional chair offers the opportunity to create numerous design combinations for private or public settings.

PRODUCT DETAILS

- / Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- / Variability of shell colors and base finishes.
- / Suitable for a wide variety of private and public environments.
