

AAL 82 SOFT DUO

PRODUCT FACT SHEET

HAY

AAL 82 SOFT DUO

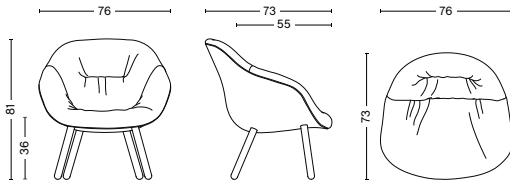

DESIGN BY HEE WELLING & HAY, 2020

The AAL 82 Soft Duo fuses the natural elegance and character of the four-legged wooden base with the softness and warmth of the quilted shell in contrasting materials. Retaining the same compact body, shaped armrests, and simple, sculpted design that characterize the rest of the lounge series, this design rests upon four solid, rounded legs. The oak base is available in different finishes and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public, or private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery in selected fabric and leather combinations on front and back.
- Variety of textiles and base finishes.
- Other upholstery options are: a non-quilted full upholstery in a large selection of fabrics and leathers or a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Other base options are: aluminum swivel base, molded plywood base and bent steel tube base.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 76 CM
DEPTH 73 CM
HEIGHT 81 CM

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

CERTIFICATES

FSC™ LABEL MIX
Made from FSC™-certified wood
and other controlled materials.

INDOOR ADVANTAGE™ GOLD
Supports a healthy indoor environment.
Confirms to ANSI/BIFMA standards.

TESTS

EN 16139:2013
Furniture–Strength, durability and safety–Requirements
for non-domestic seating.
L2 Extreme use–Loading according to Test severity L2.

WARRANTY

HAY provides a 5-year product warranty.
