PRODUCT FACT SHEET

## AAL 83 SOFT

DESIGN BY HEE WELLING & HAY, 2020

The AAL 83 Soft fuses the minimalist, more angular aesthetics of the molded plywood frame with the softness and warmth of the quilted shell. Retaining the same compact body, shaped armrests, and simple, sculpted design that characterize the rest of the lounge series, this design features a solid base with angled legs that slant slightly outwards for optimal stability. The base is available in different finishes and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.

### HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery with added wadding in a large selection of fabrics and leathers.
- Variety of textiles and base finishes.
- Other upholstery options are: a soft duo version in selected fabric and leather combinations on front and back or a non-quilted full upholstery in a large selection of fabrics and leathers.
- Other base options are: aluminum base, solid wood base and bent steel tube base.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
