## CHAIR TROLLEY

DESIGN BY HAY, 2020

Designed to facilitate transportation and provide a functional storage solution for stacking multiple chairs, the Chair Trolley features a compact frame with wheels, which makes it easy to move around. The trolley can be used to stack a variety of different HAY chair designs, both with and without upholstery, with varying stacking heights depending on the selected model.

## **SUSTAINABILITY**

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

## **WARRANTY**

HAY provides a 5-year product warranty.

Please contact the HAY sales team for further information about the warranty terms and conditions.

## **CARE & MAINTENANCE**

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture. Find the guide at [hay.com](http://hay.com).

## **DOWNLOADS**

Packshots and lifestyle photos, 2D / 3D files, care and maintenance, instructions, test certificates, product fact sheets, and product presentations are available in our Digital Library at [hay.com](http://hay.com).
