PRODUCT FACT SHEET

CPH 30

DESIGN BY RONAN & ERWAN BOUROLLEC, 2012

Part of the Copenhagen range designed by Ronan and Erwan Bouroullec, the CPH30 shares the same characteristic angled legs and strong identity that are consistent with the rest of the collection, yet its contrasting tabletop sets it apart. The table frame comes in a variety of sizes, wood types and finishes, with the tabletops offered in different materials and finishes. The CPH30's versatility and uncluttered design makes it ideal for using as a desk, conference table or dining table in an office context or a private setting.
