

HEE BAR STOOL

PRODUCT FACT SHEET

HEE BAR STOOL

DESIGN BY HEE WELLING, 2005

The absence of superfluous details in the Hee Bar Stool seems even more pronounced by its height and the presence of long slender legs. The ultimate in elemental design, this versatile bar/counter stool has a simple, uncluttered expression with excellent stability. Stackable and weather-proof, the Hee Bar Stool can be used in outdoor surroundings, as well as inside restaurants, bars and in the home.

HIGHLIGHTS

- Part of a multi-functional family of chairs, lounges and stools in a variability of colors.
- The Hee collection features a weatherproof outdoor powder coating.
- The bar stools can be linked together in rows for conference use.
- Stackable on floor up to 10 pcs.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

TESTS

EN 16139:2013

Furniture - Strength, durability and safety - Requirements for non-domestic seating.

L1: General use - Loading according to Test severity L1
