HEE LOUNGE CHAIR

DESIGN BY HEE WELLING, 2005

The philosophy behind the Hee Series was to take an archetypal chair and perfect it down to the last detail while cutting the essentials to the bone. The goal was to create a contemporary chair to fit into a wide range of contexts. The attempt was a great success, resulting in the pragmatic and easily decoded Hee series. Like a line drawing, it wraps meters of metal wire into neat, straight lines in three versions: bar stool, lounge chair and dining chair. Stackable and weatherproof, the wide assortment of colors and designs make Hee suitable for numerous indoor and outdoor contexts, such as bars and restaurants, as well as public spaces and home environments.

HIGHLIGHTS

- Part of a multi-functional family of chairs, lounges and stools in a variability of colors.
- The Hee collection features a weatherproof outdoor powder coating.
- The lounge chairs can be linked together in rows for conference use.
- Stackable up to 20 pcs.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH / 72 CM / 28.35"
DEPTH / 67 CM / 26.38"
HEIGHT / 67 CM / 26.38"
SEAT HEIGHT / 37 CM / 14.57"
SEAT WIDTH / 55 CM / 21.65"
WEIGHT | 26lbs

MATERIALS

FRAME

11 mm powder coated solid steel bar with a two component coating; a primer and an outdoor powder coating which provides a barrier to corrosive elements making it suitable for outdoor use.

GLIDER

Plastic. Standard on all variants. Suitable for all floorings that are not too sensitive.

CONSTRUCTION

Solid steel bar chair in 11 mm welded wire featuring an outdoor powder coating. Comes with pre-mounted gliders.

COUNTRY OF ORIGIN

Ukraine

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

TESTS

EN 16139:2013

Furniture - Strength, durability and safety - Requirements for non-domestic seating.

L1: General use - Loading according to Test severity L1
