

# MAGS SOFT

PRODUCT FACT SHEET

## MAGS SOFT

DESIGN BY HAY, 2018

Rounded edges and soft cushions create a milder, relaxed tone with the Mags Soft Sofa with low armrest.

Retaining the same strong aesthetic presence as its firmer, more pared back sibling, this version takes on a more fluid silhouette. Optimal comfort and durability are ensured by the sofa's solid construction, which has been built using durable, high-density foam and covered with a duvet for extra softness. The low frame has a distinctly lounge feel, reinforced by the deep seats and low armrests, which are lower than the back, resulting in a more open, welcoming space. The wide range of functional modular units mean the sofa can be fully customized with chaise lounge, corner modules or additional seats to suit any room or purpose, while the numerous high quality upholstery options allow the sofa to find its own personality.
