

RESULT CHAIR

DESIGN BY FRISO KRAMER & WIM RIETVELD

The Result Chair features a thin steel-sheet base with an oak seat and backrest, retaining maximum flexibility, lightness and strength. Originally created by Friso Kramer and Wim Rietveld while working at Ahrend in the 1950s, the cutout steel collection has been relaunched by HAY together with Ahrend. Available in a variety of wood finishes, with a wide range of textiles and leather options for the seat. Result's strength and versatility makes it suitable for use in many public and private contexts.

PRODUCT DETAILS

- / Strong and functional chair, which has been tested for institutional use over many generations.
- / Cutout sheet steel base with an oak seat and backrest.
- / Available with seat upholstery in selected fabrics and leathers.
- / A special tubular rivet provides the backrest with a high level of comfortable flexibility.
- / The 2D-moulded plywood ergonomic seat ensures superior comfort.
- / The chair's design means it can conveniently be placed on the table top.
- / Suitable for a wide variety of private and public environments. / Qualified for contract use.
