HAY

SOFT EDGE 100 LOUNGE

DESIGN BY ISKOS-BERLIN, 2022

Iskos-Berlin's Soft Edge series features an organically shaped seat and back, blending strong curves with extreme lightness to create a minimalistic design that optimizes human-centric comfort. The Soft Edge 100 Lounge Chair features the same distinctive seat contours as the rest of the family, but with a lower, wider design that is more conducive for relaxing or sitting for longer periods of time. Its steel base reinforces its light, uncluttered aesthetics, while its strength, stability, and comfort ensure years of everyday use in a wide range of public and private environments – from cafés, offices, and waiting areas to a home environment. Also available with an upholstered seat and in a fully upholstered version in a wide range of different fabric options.

HIGHLIGHTS

- Part of a family of dining chairs, bar stools, lounge chairs and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
- Offers an ergonomic seating solution due to its increased level of back support.
- 3-dimensional form based on the latest developments in molded plywood technique using ordinary plywood.
- EU Ecolabelled and FSC™ certified.
- A modest yet striking aesthetic profile.
- Compact and extremely comfortable.
- Variety of seat and base colors and finishes.
- Available in a wide variety of fabric and leather options.
- Stackable on floor up to 10 pcs. without upholstery | 6 pcs. with upholstery.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
