PRODUCT FACT SHEET

HAY

SOFT EDGE 55 SLED

DESIGN BY ISKOS-BERLIN, 2020

Iskos-Berlin's Soft Edge series features an organically shaped seat and back, blending strong curves with extreme lightness to create a minimalistic design that optimizes human-centric comfort. With its plastic (PP) seat and back in a variety of colors and steel-sled base, the Soft Edge 55 Chair offers both uncluttered aesthetics, stability, and functionality. Its strength and stackability make it ideal for using in private, public, and contract environments – from homes to corporate spaces and cafés. Also available with an upholstered seat in a wide range of fabric options.

HIGHLIGHTS

- Part of a family of dining chairs, bar stools, lounge chairs and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
- Offers an ergonomic seating solution due to its increased level of back support.
- Polypropylene (PP) seat and back available in a wide range of colors, and powder coated or chromed steel base.
- Available with seat upholstery in selected fabrics and leathers.
- Available with linking gliders.
- Stackable on floor up to 10 pcs. without upholstery | 6 pcs. with upholstery.
- Stackable on trolley up to 20 pcs. without upholstery | 6 pcs. with upholstery.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
