

SOFT EDGE 70 STOOL

PRODUCT FACT SHEET

SOFT EDGE 70 STOOL

DESIGN BY ISKOS-BERLIN, 2016

Made possible by exploring innovative developments in molded plywood techniques, Iskos-Berlin's Soft Edge series blends strong curves with extreme lightness to create a three-dimensionality that is not normally possible with 2D plywood. All the edges of the ultra-thin, soft-formed seats are bent away from the body, designed to optimize human-centric comfort for constant shifting and movement. This shorter stool variant features straight steel legs that enhance the minimalistic aesthetics and create a feeling of lightness. Its strength and functionality ensure years of everyday use in a wide range of public and private environments – from corporate spaces and cafés to home environments.

HIGHLIGHTS

- Part of a family of dining chairs, bar stools and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
- 3-dimensional form based on the latest developments in molded plywood technique using ordinary plywood.
- Variety of seat and base colors and finishes.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 37,5 CM | 14.76"

DEPTH 37,5 CM | 14.76"

HEIGHT 47,5 CM | 18.70"

SEAT HEIGHT 47,5 CM | 18.70"

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

CERTIFICATES

FSC™ LABEL MIX

Made from FSC™-certified wood and other controlled materials.

EU ECOLABEL

Applies to unupholstered and upholstered models covered in EU-Ecolabelled fabrics.

INDOOR ADVANTAGE™ GOLD

Supports a healthy indoor environment. Confirms to ANSI/BIFMA standards.

TESTS

EN 16139:2013

Furniture - Strength, durability and safety - Requirements for non-domestic seating.

L2 Extreme use - Loading according to Test severity L2.

WARRANTY

HAY provides a 5-year product warranty. Spare parts are available throughout the 5-year warranty period. Please contact the HAY sales team for further information about the warranty terms and conditions.

CARE & MAINTENANCE

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture. Find the guide at hay.com.

RECYCLING & DISASSEMBLY

The furniture is designed to be a long-lasting furniture made to last for many years. The furniture is 100% recyclable and all parts can be fully separated and recycled. All parts can be delivered to a suitable recycling facility.
