TERRAZZO TABLE

DESIGN BY DANIEL ENOKSSON, 2016

Swedish designer Daniel Enoksson's Terrazzo Table features a round- or square-shaped table top crafted in highly functional electro-galvanized steel and powder coated to make it extra resilient. For the designer, terrazzo was an obvious choice to use as the base, partly due to its excellent durable properties, but more importantly, it has such a unique and distinctive finish that makes an effective contrast against the stark simplicity of the table top. Designed to withstand the outdoor environment, the table is suitable for all kinds of indoor and outdoor use.

HIGHLIGHTS

- Part of a family of tables featuring round- and square steel tabletops and terrazzo bases in different outdoor powder coated colors.
- The table features an electro-galvanized steel tabletop that makes it suitable for outdoor use.
- Available with 2 different table tops.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

TERRAZZO TABLE SQUARE
LENGTH 60 CM | 23.62"
WIDTH 60 CM | 23.62"
HEIGHT 74 CM | 29.13"

TERRAZZO TABLE ROUND
DIAMETER Ø70 CM | 27.56"
HEIGHT 74 CM | 29.13"

MATERIALS

TABLETOP AND COLUMN
Electro galvanized steel with
outdoor powder coating.

BASE
Polished Terrazzo.

CONSTRUCTION

Fine marble and dyed cement are poured into a specially developed mold to create the unique terrazzo stone base. The stone is then hand polished, and protective gliders are placed underneath. The terrazzo base is joined to the sheet metal top by a long central bolt that runs through the pillar. Requires assembly.

COUNTRY OF ORIGIN

China

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

TESTS

EN 15372: 2008

Furniture - Strength, durability and safety - Requirements
for non-domestic tables.

L3: Severe use.

CARE & MAINTENANCE

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture. Find the guide at hay.com.
