

Logic Micro Tower™

Place power exactly where people need it. Logic Micro Tower brings power sources up from the floor to within arm's reach, enabling people to charge laptops and mobile devices in places where they normally couldn't.

Benefits

- Places power access exactly where people want to work, and within arm's reach
- Charges both mobile devices and laptops with USB-A and USB-C connectivity

Warranty

2-year, 3-shift

Logic Micro Tower™

Key Features

1. Charge It All

Different people need to power different kinds of technology. With Logic Micro Tower's USB-A and USB-C ports, you can power and charge both mobile devices and laptops wherever it's placed.

2. Cord Wrap

The power cord wraps snugly and safely in the base for tidy, compact repositioning.
