

# Loop™ Micro Mount

Keep valuable desktop real estate clear and tame cable clutter with Loop Micro Mount, an under-desk mount designed to cradle compact technology devices up to 3.3 pounds/1.5kg, including thin clients, docking stations, and USB hubs.

## Benefits

- Keeps third-party docking stations, thin clients, or USB hubs up to three pounds safe and off the floor
- Can rotate 360 degrees
- Seamlessly integrates with any work surface without the need for cable trays
- Rubber strap and ratchet mechanism are both adjustable

## Warranty

12-year

## Key Features

- 1. Compact, Adjustable Design**  
The mount's base is adjustable, and the rubber strap adjusts 6.7 inches/170mm - 9.8 inches/250mm.
- 2. Easy Installation**  
The mount slides into a simple bracket below the desk, taking up minimal space.
- 3. Pairs with Work Tools**  
To create an optimal power, cable, and technology support solution, pair Loop Micro Mount with other tools, e.g., CBS monitor arms and Ondo Connectivity Module.
- 4. Airflow-Friendly Design**  
The mount has an open frame that helps prevent the device it's holding from overheating.
