## Magis Déjà-vu Extending Table

### Designer

Naoto Fukasawa for Magis

### Original Production Date

2007

### Design for the Environment

0% recycled content; 33% recyclable

### Warranty

2 years

Flexibility meets beauty in this extending table by Naoto Fukasawa. Sleek and straightforward, it can expand to accommodate unexpected dinner guests or extra members of a workplace meeting. With legs in polished aluminum and a top in white, oak, or wenge, the surface adds utility and style to any setting.
