## Magis Table First

### Designer

Stefano Giovannoni for Magis

### Original Production Date

2007

### Design for the Environment

0% recycled content; 30% recyclable

### Warranty

2 years

Sturdy, lightweight, and sophisticated, this table by Italian architect and designer Stefano Giovannoni is a versatile dining or working surface. With legs created using air-molding technology and a top of oak veneer, it's available in black or white options and in a round, square, or rectangular shape.
