Magis Table_One Bistro

Designer

Konstantin Grcic for Magis

Original Production Date

2006

Design for the Environment

3% recycled content; 80% recyclable

Warranty

2 years

Elegant, smart, and sculptural, Konstantin Grcic's striking bistro table makes a strong statement with a concrete base as its foundation. The sleek frame is polished aluminum or black; its round and square top choices are high-pressure laminate in black, white, or white with black edges.
