

HermanMiller Collection

Nelson™ Miniature Chest 6 Drawer

Designer

George Nelson

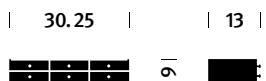

Original Production Date

1952

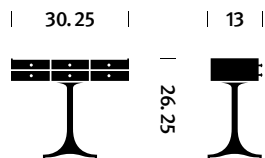

Warranty

5 years

George Nelson's graceful solid-wood chest, inspired by Japanese design, comes with or without a metal pedestal base. Its six drawers are hand-fitted—the kind of craftsmanship Nelson insisted upon in 1952. Fifty years since it was last available, it has been updated to employ environmentally sustainable veneers and finishing processes without compromising the original design.

Without Pedestal Base
