Nelson™ Thin Edge Buffet

Designer

George Nelson

Original Production Date

1952

Design for the Environment

75% recycled content; 89% recyclable

Warranty

5 years

Along with looking and feeling exquisite, this richly veneered buffet also offers a high degree of utility. With two adjustable shelves behind its hinged doors and four deep drawers, it generously allows for the storage of objects in an efficient, organized manner. Available in a variety of beautiful and sustainable wood veneers, it complements both casual and elegant environments.
