

Nemschoff® 2770 Series

The Nemschoff 2770 Series is a comprehensive offering of waiting area seating that delivers streamlined scale in a small footprint. The broad collection consists of a coordinating armchair, multiple seating, benches, and tables. A warm wood frame and brushed metal accent rail characterize the inviting contemporary style. The broad scope of the collection gives you the versatility to furnish spaces of any size or shape, while multiple construction details ensure long-term performance in heavy-use healthcare settings.

Benefits

- Contemporary style, durable construction, and comprehensive scope
- Armchair and multiple seating available with two back styles
- Multiple seating for two to four people can be specified with divider arms and legs

Warranty

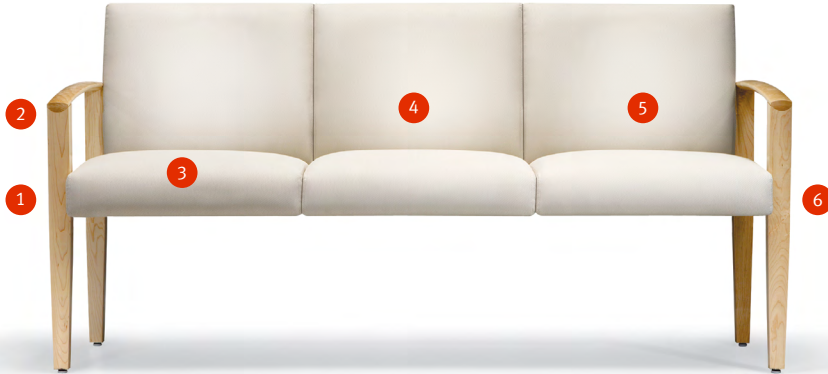

12-year, 3-shift

Nemschoff® 2770 Series

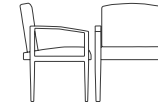

Key Features

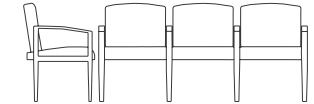

- 1. Solid Maple Frame**
Sturdy wood frame ensures long-lasting durability
- 2. Mortise and Tenon Joints**
Joints lock together like puzzle pieces, creating a sturdy connection
- 3. Spring Seat Construction**
Suspension system provides uniform support and keeps upholstery from puddling
- 4. Removable Covers**
Optional removable covers can be replaced on-site if damaged or stained
- 5. Replaceable Components**
Mechanical fasteners allow parts to be serviced in the field, increasing product lifespan
- 6. Proprietary Finish**
Durable wood finish resists scratches and stands up to hospital-grade cleansers
