

Nemschoff® Anderson Seating

Nemschoff Anderson Seating welcomes guests with an open design, supportive cushions, curved arms, and a durable steel frame. The collection includes individual chairs and multiple seating for two to three guests. For even greater versatility, plus-size chairs in two spacious widths are available for larger guests. With its transitional style and sturdy construction, Anderson Seating works well in any healthcare setting or public lounge space.

Benefits

- Built to stand up to the heavy usage and frequent cleaning common in healthcare
- Two- and three-seat multiple seating with or without divider arms and legs
- Extra-wide plus-size chairs retain the comfort and style of standard model

Warranty
