

# Nemschoff® Ava® Recliner

The Ava Recliner is designed to maximize maneuverability with a minimal footprint. Extensive research laid the groundwork for a patient recliner that offers unlimited mobility, easy-to-use controls, infinite recline, an elevating footrest, and pivoting arms. It all comes together in a high-performance patient recliner that's both comfortable and comforting. Choose from two back styles—Arcade or Wingback—both with a subtle residential character that gives patients an inviting alternative to their hospital bed.

## Designers

5d Studio

## Benefits

- Simple adjustments make it easy to position the recliner in a way that best aids comfort and care
- Patients can adjust the back from upright to full reverse recline with the press of pads situated beneath each arm
- Multiple features enhance maneuverability around patient rooms and down hallways

## Warranty

12-year, 3-shift  
(recliner mechanism: 10-year)

## Key Features

### 1. Easy Maneuverability

Foot pedals on each side of the recliner use red and green indicators as visual cues to help caregivers lock or unlock wheels as needed

### 2. Infinite Recline

Patients can adjust the back from upright to full reverse recline by simply depressing pads beneath each arm

### 3. Spring Seat Construction

The spring seat suspension system enhances comfort and provides uniform support

### 4. Wipe-Out Design

A gap between the arms, back, and seat reduces dirt, making it easier for housekeeping to clean quickly

### 5. Pivoting Arms

A lever on the base of each arm assembly allows the arms to pivot up and out of the way for easier access to patients

### 6. Elevating Footrest

Patients or caregivers can adjust the footrest with a lever on the side of the chair

## Statement of Line

### Arcade back

### Wingback
